| Cooler installation  LaFave's Construction Company - Common Solutions COVID Relief Funding Projects         | Remove old water fountains and install new water coolers.  LaFave's Construction is bidding the above referenced project on September 15th. We are requesting a proposal for your services. The projects consist of purchasing and installation of items meant to help resist the spread of COVID-19 including signage, hand sanitizer stations, touch-free fixture upgrades in restrooms, breakrooms, and shared work areas, and anti-microbial films and sleeves.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | Salisbury, NC    | 09/14/20 |
| Wayne County - RFP for Disaster                                                                             | The County of Wayne is seeking qualified firms to provide disaster management, recovery, and consulting services for the County of Wayne in the event of a natural disaster.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Goldsboro, NC    | 09/15/20 |
| Wayne County - Request for Proposal<br>Disaster Debris Clearance & Removal Services                         | The County of Wayne is soliciting proposals for disaster debris removal, reduction, disposal and other necessary emergency clean-up activities associated with a hurricane or other natural disaster.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          | Goldsboro, NC    | 09/15/20 |
| City of Charlotte - Operations Support<br>Services                                                          | The objective of this RFP is to establish a Contract for a Company to stock, replenish, and maintain supplies that support Charlotte Water's operations and personnel during normal and emergency circumstances, especially when overnight or multi-day stays at City facilities are forecasted.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Charlotte, NC    | 09/17/20 |
| City of New Bern - Hurricane Florence Debris<br>Removal Activities-Quarry 1 and Quarry 2<br>Drainage Basins | This project generally involves the removal of previously identified and as encountered sediment, vegetative debris, and miscellaneous hazardous debris within open-air stormwater ditches, piping, culverts, and wetlands. Work also includes clearing, grubbing, installation of access roads, necessary traffic control, erosion and sediment control, excavation, reduction, hauling of debris.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            | New Bern, NC     | 09/17/20 |
| City of New Bern - Trent Road - Red Robin<br>Lane Hurrican Florence Damage Repairs                          | This project generally involves the repair of previously identified damages within an open-air stormwater conveyance ditch.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | New Bern, NC     | 09/17/20 |
| Beaufort Soil and Water Conservation District<br>- Stream Debris Removal                                    | Stream debris removal work of various streams, creeks & tributaries.
